Office Med. Director Genl. Hospital  
Charleston S.C. Jan. 24<sup>th</sup> 1865

Sir

Enclosed is an order relieving you from your present duties and assigning you to the duty of establishing a General Hospital at Spartanburg in this State. It is of the greatest importance, that the hospital ordered at Spartanburg, should be opened as early as possible. You will therefore on being relieved, by Surgeon Gilmore, proceed to the execution of your order, with the utmost dispatch.

Surgeon A.W. Thomson, on duty at Columbia who has recently visited Spartanburg, for the purpose of ascertaining, if suitable buildings could be obtained there, for hospitals, reports, that accommodation could be got there, for 1000 or 1200 patients, without incommoding citizens. It is desirable that

Relating to the establish-

Spartanburg S.C. March 1862

Surgeon General S. P. Moore

Sir

The enclosed order from Dept. Hdqrs. and accompanying instructions from Surg. R. S. Crumell Med. Dir. of Hospitals were handed to me at Greenville on the 1<sup>st</sup> of February - but by Surgeon Selmore who had been ordered to relieve me from my duties as Surgeon in Charge of the 3<sup>d</sup> S. C. Hospital. Pursuant to these instructions, I reached this place on the 12<sup>th</sup> of February and proceeded to the execution of my orders. I found that no military post had been established at this place and that the great flood of January had so damaged the Railroads and bridges of the country as completely to interrupt all communication with other points by public channels. For these reasons the usual and legitimate plan of making requisition on a Quartermaster for suitable buildings material and labor, could not be followed and I was forced to act on my own responsibility, in view of the urgency of my instructions to see the utmost dispatch and the threatening aspect of affairs at Columbia which seemed to presage a battle in defense of the city or the evacuation of the post and the removal of the Hospitals, both of which seemed to demand the immediate establishment of the hospitals ordered at this post. I had succeeded in obtaining the building of Hopper College admirably adapted to the purpose with accommodation for 900 beds and five buildings in town capable of containing 250 more and had procured lumber and material for the construction of a small but indispensable necessary out building when the unexpected fall of Columbia with the retreat of our army to

the North Carolina home and partial destruction of the Parvian Sepet - rendered the work of establishing a hospital not only impossible but impossible. Surgeon J. J. Chislen Med. Surgeon stated to me while passing through this place a few days afterwards that although enough of many articles had been saved to serve a number of hospitals he would not be able to furnish a complete stock to a single institution that especially very little of any bedding had been brought out.

The above facts were substantially reported to Surgeon H. C. C. In a subsequent report - Surgeon the necessity of establishing the hospital as a school scale on grounds communicated to me by the Enrolling Officer of the District subsequently to my first report chiefly the large number of sick and wounded soldiers in the state requiring medical treatment - who had been sent home by physicians now expired. The D.C. inform that the number of such cases exceed 50 percent in his office alone. In the same report I stated that the hospital could be easily established provided authority could be obtained for using the Government stock yielded as far as kind by the neighboring cotton factories and now in store at this place and incapable of removal as well as an order for impregnating or burning at Brant - price the necessary labor for manufacturing it into bedding &c. that all other articles necessary could be obtained here for 30 and 40 percent of the price were likewise furnished to Surgeon H. C. C. at Charlotte N.C. addressed to Surgeon C. C. C. but thus far without reply. I have therefore deemed it my duty to lay the facts before you with a view of obtaining specific instructions in regard to my future course had especially to procure an order covering expenses actually incurred which cannot now be had from the General Land.

Very Respectfully Yrs. J. J. C. C. 414

Res. referred to the C.S. &  
General, for acceptance.

Office of General Geo. Thomas  
Augusta Georgia  
July 12<sup>th</sup> 1864

General, they leave respectfully to  
under the immediate and unconditional  
resignation of my appointment as sur-  
geon in the Provisional Army in the  
service of the Confederate States. I was  
appointed from Charleston South Carolina  
February 1<sup>st</sup> 1862. I am exempt, by law  
from all military service, being thirty  
five years of age and a practicing physi-  
cian of some ten years standing.

Having a large family to sup-  
port and other responsibilities, I feel that  
in making so many and others, I am not  
called on to make the heavy sacrifices  
demanded, by remaining longer in my pres-  
ent position. The pay and allowances of a  
surgeon are entirely inadequate for my mes-  
sage, and I have no other resources than  
those incident to the practice of my pro-  
fession. Having devoted nearly three years  
of the best years of my life to the service  
of the country, I now beg to be allowed

to return from  
too much responsibility for my present  
state of health and finances.

Ernesting that my application may  
(Must) your approval, I am, General  
Very Respectfully  
Yours all and

*[Faint handwritten notes, mostly illegible due to fading.]*

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into columns, with names in the first column and dates in the second column.

2. The second part of the document is a series of short, handwritten notes or entries. These are written in a cursive script and are arranged in a list-like format. Some of the entries are preceded by numbers, suggesting a sequence or order.

3. The third part of the document is a single, longer handwritten entry. This entry is written in a cursive script and appears to be a more detailed note or description. It is preceded by a number, indicating it is part of a sequence.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and small dark spots, possibly due to age or handling. The right edge of the page is slightly irregular, suggesting it is part of a bound volume. There is no text or other markings on the page.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right.

2. The second part of the document is a series of handwritten notes or entries. These are written in a cursive script and are arranged in a list-like format. The notes are somewhat difficult to read due to the cursive handwriting, but they appear to be a continuation of the record or a separate set of notes related to the same subject.

3. The third part of the document is a series of handwritten notes or entries, similar to the second part. These are also written in a cursive script and are arranged in a list-like format. The notes are somewhat difficult to read due to the cursive handwriting, but they appear to be a continuation of the record or a separate set of notes related to the same subject.

4. The fourth part of the document is a series of handwritten notes or entries, similar to the previous parts. These are also written in a cursive script and are arranged in a list-like format. The notes are somewhat difficult to read due to the cursive handwriting, but they appear to be a continuation of the record or a separate set of notes related to the same subject.

5. The fifth part of the document is a series of handwritten notes or entries, similar to the previous parts. These are also written in a cursive script and are arranged in a list-like format. The notes are somewhat difficult to read due to the cursive handwriting, but they appear to be a continuation of the record or a separate set of notes related to the same subject.

I am on duty purchasing  
any port. There is no C. M. near than Weldon the nearest  
acting as boatmen and bachelors and also some light.  
impracticable for negroes and even to go to the port  
to draw their clothing. Please inform me how these  
port employees are to be clothed - especially the negroes.  
Who is to pay the negroes then 11 - per month while in  
my employ? Does the negroes rec'd. on form 53 (D.M.  
Sept. Reg.) be a proper purchase for a port C. M. and clean  
them in the issue of the clothing?

I would not presume to address the letter to you. but  
some of the J. M. who I have seen can give the  
information, and the only at Weldon is unwilling to  
see the necessary clothing on form 53. My employees  
are greatly in need.

Very Respectfully  
Your Obedt Servt.  
C. M. Guil.

OFFICE OF CHIEF C. S. 1ST. DISTRICT N. C.

Goldsboro' 27th February 1862

1862

General  
On the 26th I received from Mr. Tannabull copy of a letter calling for a report of supplies received from the Counties for N.C. lying east of the Cheroke River for the exchange of Cotton, Hatching and Tobacco. I immediately wrote to Captains George and Marshall the Officers who had charge of the business in N.C. in the information being to the troubled condition of the country and the change of Captains did not receive my letter for fifteen days and the removal of my papers in the absence of the Genl Comdr. before the receipt of their replies has caused the delay which was unavoidable.

It is now known what a large quantity of supplies during the quantity is required and not only for exchange but for the records of the business with the N.C. authorities and with the N.C. authorities it has now become a subject of necessity.

Respectfully submitted to the  
Adjt. Genl. General.

These papers were sent  
directly by ~~Genl. Chalmers~~ by  
the hand of Major Moore. No  
thing is known as to the facts  
beyond the statements of Major  
Moore. From these, it appears

WAR DEPT.

that the 1st Regt. of the  
Mississippi State Troops, was  
authorized by Genl. Pettus to raise  
a Regiment of Cavalry for Confed-  
erate service, from the State Troops.  
which, it is said, had been exempted  
from conscription, by an arrange-  
ment between the Gov. & the War  
Department. This "authority" was  
approved by Maj. Genl. D. Lee,  
and acquired in by Genl. Pillow,  
appears for the unofficial for-  
ward enclosed.

It is stated that a large por-  
tion of the Regt. was raised be-  
fore the war by Genl. Lee.

and is finally moved & well-  
drilled. In a recent engagement  
at Collierville, Genl. George was  
captured, & is now in the hands  
of the enemy.

Major Moore states that the  
authorization made by Genl. Chalmers  
was in conformity with the wishes  
of the Regt. and Genl. George.

The action of Genl. Lee,  
Chalmers & Pillow, is clearly  
unauthorized by law and orders.  
But in view of the facts that  
a color of authority was thereby  
given to Genl. George, & that the  
Regiment is complete, has been  
for some time in actual service,  
& is composed, in some part, at least,  
of men who, if the organization is  
not allowed, may be lost to the  
service, the expediency of not  
taking this action of perfecting the  
organization, is worthy of consideration.  
The statement of Major Moore is enclosed.

Suppl. Sub. to President  
The action in this case  
has been irregular. Some  
the commencement of,  
but for the necessities  
of the service should  
not recommend it, and  
although, the Regt.  
has been some months  
in service, they are  
greatly in need of troops,  
more especially as  
the original companies  
of the Regt. (Miss. State  
Troops in the Confederate  
service) had each a  
nucleus on which  
they were enlarged  
to their present orga-  
nization, by recruits,  
not subject to con-  
scription, being en-  
titled within the  
enemy's lines, I  
feel constrained to  
recommend that the  
Regt. be recognized &

you to muster and receive existing Companies for the War.  
Conscripts and non Conscripts to the number of ten Co's

I certify that I have engaged of command Major R. D. George  
Quartermaster of 1st Div. 1st Corps Kentucky Cavalry & find him  
physically incapacitated for performing the duties of a  
Volunteer, in consequence of his being the subject of large  
sprained hemorrhoidal tumors. That he has daily hemorrhages  
& his general health is gradually failing under the  
condition of things. I have served with Major George since  
the 2d Sept. 1862 & am satisfied the restoration of his health  
in a great measure depends upon his putting the disease  
he has been the subject of this disease for years out has  
been pretty appreciated by the Surgeons of Camp Life

I have a very small sum of money for which I have  
just bought a small sum of money for the use  
of a small office stationer at  
Chennai, I expect.

Will you please have the  
goodness to inform me what I have  
to take in order to secure a supply  
of this cloth for the use of myself and  
other officers in the service here, at  
this time?

With a salary of Rs. 1000. at  
from Rs. 100 to Rs. 150 per year, and it  
is known that an officer's very  
small and pay (including a family  
to support) cannot be more than  
at this rate of Rs. 1000. Hoping  
you will be able to aid me in some way,  
at these tedious times, I am very truly yours

In reply to your enquiry. as to the nature & extent of the duties of the Officers at this Post I have to say, that mine cover all appertaining to the position of Commanding Officer embracing the operations of accoutrement Shops, Army, Laboratory, Carpenter Shop, & Military Store Room. The duties of, 1st Lieut. H. Lewis Marshall. Appertain more especially to the Laboratory & the Correspondence of this Office.

As to the prices paid for supplies I have to state that they are purchased in open market, having no authority to impose.

I take this opportunity to state moreover that I have facilities to repair before the Spring Campaign three or four thousand stands of small arms & respectfully suggest that they be sent me immediately from Richmond or elsewhere if it is possible, as the supply in hand at present is very small.

I could fabricate two hundred.

Respectfully returned. Two loads  
of wood were delivered yesterday  
but being bits very indifferent  
quality being nothing but small  
green pine rods, it was required  
to heat the wounds. I understand  
from the Dir. that there is  
seasoned pine & oak in the yard  
but none comes to my division  
I have been compelled to make  
a special requisition when had  
been furnished with good  
wood there would have been  
no necessity. I had given orders  
that the wounds where the sick  
men were should be kept warm  
with and list of names of men  
concerned but our men will  
have just whether furnished or  
not. The best way is to compel  
the proper officers to supply the  
list of men who are  
ill & the sick attendants  
that happen

Sir:

As Officer of the day, for the past twenty four hours, I have the honor to make the following report. Every department of the Hospital as far as I have been able to ascertain, has been working harmoniously with one or two exceptions. A number of the patients of the 1st Div. complained of having nothing to eat for supper. Upon enquiring I learned that this was in consequence of having no cooking wood at the proper time. A number of patients were arrested at Minden Hospital for taking wood belonging to the 1st Div., whom I released under all the circumstances.

Yours Respectfully  
Henry C. Shunt Aft. Surg.  
and Officer of the day.

I have carefully examined Surgeon  
S. C. Shoben of the 1<sup>st</sup> Reg. Tenn Cavalry and find  
incapable of performing the duties of his office because of  
general debility of the system, the result of pulmonary  
consumption and of hemorrhages from the lungs. He is suffering  
from a chronic cough and is unable to perform his duties.

On the 4<sup>th</sup> of November 1861, I had the honor to tender the resignation of my commission of a Major in the Provisional Army of the Confederate States. This Department No. 1. New Orleans (Genl. S. M. Bell). It was accepted as will be seen by reference to S. O. No. 338. Dated Nov. 21<sup>st</sup> 1861. It will also be seen by reference to S. O. No. 258 that the acceptance of my resignation was rescinded. I did not intend my one to understand that so much of S. O. No. 258 as rescinded the acceptance of my resignation, be rescinded & the acceptance be permitted to remain in full force. I was compelled eight years ago to seek a more southern home than my native State (Va) on account of a tendency to pulmonary disease & I cannot then I am now ordered. Prop. J. M. H. Cooper

common. I have suggested in the previous

that some of the illustrations, that I have in ad-

Medical Director U.S.

Dear Sir,

I have the honor to report as  
expected, as per order, of the Army Buildings in this  
place. I find in consultation with General Brown the person  
in charge, that a space in the second story of the build-  
ing (Correlation) is an area of  $450 \times 40$  ft. without par-  
tition) can be obtained without materially interfering  
with the operations of the War Department. This  
space would be sufficient for 350 beds or beds,  
It is well ventilated & being situated above the wind  
would be but little annoyed by the noise of the work  
being carried on below. A suitable bedding for a kitchen  
can be procured adjacent, & and Draper's case also.  
The necessary beds or bedsteads could be made at the  
Quarry by workmen in the employment of the Govern-  
ment. Adequate provisions to furnish cotton sheet &  
to fill the necessary bedding - provided the cloth for the

works can be procured. It is impossible to get it here.

I will state in this connection that we are proposing as rapidly as possible with our new buildings - one is already occupied and another would have been ready for occupancy tomorrow but for the accident that will probably deprive us of it now for eight or ten days - The contractor in his haste to complete the coop before rain is expected to finish the price in a sufficiently firm manner - The weight of the coop will be 15 or 20 workmen superadded covered it to put on both sides - precipitating the contents of the coop below. I reported by telegraph today in reference to the Amory.

His Excellency  
The President  
Sir

From the high appreciation in which the valiant services of Brig Genl Gholson are held in Mississippi I feel warranted in saying that his promotion would be received with sincere gratification by the Army and the People, and would be regarded as a just tribute to his bravery and selfsacrificing devotion to his Country and her cause. He is now suffering from the fourth wound received in battle which has left him I am informed, embedded in the top of an arm, yet he is unconquered and unconquerable, and shows his determination to recapture the gulf in a short time in view of his age and maimed, and shattered condition, I do not think this possible yet I do not doubt that he will attempt it.

As I think beyond doubt, he will be compelled to retire from active duty his promotion

it is not a proper right, or prerogative, any other  
from preferment whose merits entitle them to it.

It is not to be incompatible with the public  
interest such a mark as this of your appreciation  
of this brave and indomitable man would  
arouse the truest emotions in the breasts of the  
people of your own State, and would be received as  
a just reward to merit and devotion.

Trusting your pardon Sir, for the liberty taken

I hereby certify that I have carefully  
examined Capt B. J. Cholmon and find  
him in my opinion unfit for service  
because of a severe wound in the thigh  
received at the Battle of Corinth. It  
presents the appearance of having formed  
several abscesses in its vicinity and is  
now threatened with another. The  
Tendons and Lymphatic glands in  
the region of the hip joint are in an  
inflamed condition likely to be  
aggravated by his continuation in  
the service. He is not likely to be  
fit for service again being now Fifty  
three years of age.

Rec'd Apr 1st 1882.

My dear Miss  
March 7th 1862

Adm Jeff Davis President H  
Reverend Sir,

We desire to present  
to you the name of Capt Samuel J Gholson  
for appointment to a Brigadier General-  
ship in the army of the Confederate  
States of America.

We are satisfied that Capt Gholson's  
excellent practical sense, quick percep-  
tion, fine administrative talent, firmness  
& decision of character, combined with an  
experience of near 12 months in active  
service as Captain of a Company, give  
him qualifications not surpassed by most  
applicants for the high position which  
we ask for him.

Capt Gholson was in the Battle of  
Mt. Ronaldson, and was there shot through  
the body, & so wounded as to have to be taken  
from the field, and afterwards lost his  
command by their surrender. He is now  
fast recovering, and it is thought by his physician  
will in the course of a few weeks be again  
able to take the field. It is thought by the

undersigned that the appointment of  
Capt. Glendon to the position of adjutant  
will give great satisfaction to the  
Mississippi Troops now in service, and  
will add strength to our forces from  
the State. We are very Respectfully  
Yours Obd<sup>t</sup> Servts.

WAR DEPARTMENT  
THE ADJUTANT GENERAL'S OFFICE

WASHINGTON

IN REPLY  
REFER TO

ORD

March 22, 1933.

Respectfully returned to

Mrs. Franklin F. Sams,  
27 New Street,  
Charleston, South Carolina.

The records show that E. W. Gibbs, not found as Robert Wilson Gibbs, served as Surgeon General of the South Carolina Army as early as April 16, 1861.

He accepted an appointment as Inspector of Hospitals, Confederate States Army, on August 6, 1861, but resigned because of ill health during the same month, exact date not found.

He resumed his position as Surgeon General of the State of South Carolina, and in a letter dated October 29, 1864, he is mentioned as still holding that office.

No later record has been found.

\* also borne as Robert H. Gibbs

Brigadier General,  
Acting The Adjutant General.  
By

General Hospital at Charlottesville  
Aug. 12. 1861

Surgeon Th. H. Williams  
Medical Director  
Office Army of the Potomac.

Sir  
For the last two days my time has been wholly occupied  
in offering facilities for dissecting this Hospital to Surgeon  
General C. S. A. assigned to this duty by the Surgeon-General.  
You will remember that such a duty was assigned  
to Surgeon R. M. Gibbs by the Secretary of War. Dr.  
Gibbs was taken ill immediately after making his  
inspection of this station, and resigned his office before  
leaving this Hospital as he had intended. The  
Surgeon-General, who had no agency in sending him,  
has now sent Surgeon Gibbs on a similar tour, and  
the latter has been here since Friday.

He strongly approves the policy of abandoning  
the care of private wounded & also that of any public  
building remote from a communication center. He approves  
highly the plan of erecting sheds, one of which is being  
finished, & of concentrating the Hospital buildings  
so as to conduct the business on the usual Hospital  
plan, all of which I have been aiming at from the  
very beginning of the enterprise, and which I am  
also recommending.

Despite your apparent prohibitions  
the men drop in every day. The Medical House  
at one time reduced to about half has now again  
over 100 patients. The large water cisterns are  
now full, and a number of the  
wounded are being treated.

In the morning I called on the Alavan  
 House which you distinguished me to visit, and the  
 Fever Hospital of 25 to 30 beds clean by, but  
 still unimproved in a poor unimproved  
 we shall have excellent Hospital arrangements  
 and shops, to a small to a small  
 more patients at your discretion.

Letter Vick of discharged since the last was forwarded. As my assistant for different Gov't. -  
Volunteer pick up, had them in the school-  
teaching. I am willing to send them, say.

Dr. Allen, with his pen, reports that men in Lane, left the Delaware State Hospital without leave & against his orders. They have since, probably, procured a discharge from the Annapolis, in compliance with the terms of their parole. The men are O. P. Willard 17th Va. Regt. Co. G. left Hospital Aug. 20th. L. M. Plunkett of same Regt. & Co. left same day. B. P. Mitchell 1st Va. Regt. Co. H. left same date & place same day. Date of discharge not known. B. F. Jones 18th Me. Co. 13th Me. Rebl. left Aug. 29th.

Some few of the men discharged can return to  
Mr. Manassas go being unfit for duty. Let me remark  
that this war to be expected. Among several hundred  
convinced to a few mild naturally weak down under  
the pressure of camp duty after being long intended to  
it. I received numerous letters from Colonel & Captain  
urging me to send their men back even if not  
entirely well, up sending that their convalescence  
could be completed at Camp. Moreover we had  
abundant proof that the habits of convalescents in  
Lapin, about the village, eating fruit & preventing  
dram shops were far more unfavorable to  
convalescence than the duties of camp were  
likely to be. The proportion of casualties among  
the discharged is probably very much smaller

We are ~~not~~ among the casuals retained here. Many  
of the fatal cases of diarrhoea and fever have been  
among the casuals who have been walking about the streets  
as casuals. Much of this

is making this a military  
san-

itary.

Most respectfully

Yours

J. A. Cabell

I have the honor to enclose

for duty on account of ill health.

I therefore respectfully request a

heredely furnished

Capt. Gibbon has not in  
my opinion the experience  
necessary to an Inspector  
of Ordnance. He is at  
present under instruction  
& performs other valuable  
service, besides inspecting  
cannon at the Tredegar  
works. I could not  
therefore, at this moment  
recommend him <sup>as being</sup> <sup>qualified</sup> for the position  
of and which would  
necessarily oblige him  
to visit the various ordnance  
establishments where gun  
are made for us  
and for the Navy.

Dear Excellency -

It seems impossible  
to get Artillery officers to arrive  
here in the performance of Ordnance  
duties.

From what I learn of  
Mr. Gibbon, who presents this,  
it appears to me he would  
be of essential service to me,  
and if an appointment in the  
Artillery or elsewhere could be given  
to him, so that he can be  
placed on duty here, I should  
be glad of it. He seems to me  
to be a man of aptness and  
energy, & to have a liking for  
our duties.

July 25<sup>th</sup> 1863.

General,

The communication of  
June 20<sup>th</sup> 1863 regarding Capt. S. S. C.  
Mauzy A. Q. M. was received by me last  
evening;  
after seeing the order dated Oct. 20<sup>th</sup> 1862,  
dropping Capt. Mauzy for not executing  
his bond, I believing that he had  
executed a good bond, and had approved  
it as far as set through Col. A. S. Davidson  
M.C. of the 10<sup>th</sup> District of N. C., and  
feeling, considering the matter could be not-  
ified by explanation, directed Capt. M.  
to continue to perform his duties temporarily  
as by my appointment, and address an  
explanation to the Department.

During my absence on sick leave, Capt.  
Mauzy resigned the acting appointment  
from me on the ground that, though he had  
been informed by Mr. Davidson (M.C.)  
that his bond had been accepted, as of a  
date prior to Oct. 20<sup>th</sup> 1862, yet he had

no assurance of his restoration. Thus, he resided  
in his letter of resignation to Dr. Col.  
Reynolds, then Comd'g. Regiment for which letter  
was not seen by me until a few days ago, and  
was unfortunately suffered by me to be des-  
troyed (among many others) as a useless paper.  
It was the first I knew or suspected of his  
bond being accepted. On my return after  
sick leave finding the Office apparently  
vacant, and altogether ignorant that Capt.  
Mouns had been in any way recognized by  
the Department as A. Q. M. since Oct. 26.  
I have acted accordingly. The difficulty  
in procuring a suitable nominee long  
delayed my application for Capt. John  
(not William) H. Gibbons and similar  
causes, embarrassing me as to what  
further application to make, has delayed  
my replying to Col. Palmer's letter of  
inquiry received several weeks since.

I have written to day to Capt. Mouns asking  
him immediately to the Regiment. His  
Post Office is Murphy, Cherokee Co. N.C.

I Am, Very Respectfully,  
Dear General

Mr. Fortiana

Ringgold, Ga., Oct. 23, 1863.  
W. H. S. Taylor, Esq., Second Auditor,  
Richmond, Va.

Dear Sir: — There is much distress among farmers in this vicinity occasioned by portions of our army consuming their crops and giving them no equivalent for; and these farmers (mostly of the poorer sort, or women whose supports are in the army) are continually applying to me for indemnity for such destructions as will enable them to get it.

The Chief Quartermaster of this Army (Adj. Clackson) tells me that all such claims will be settled at Richmond. I therefore address you for the purpose of ascertaining precisely in what form these claims must be made out and to whom they must be sent and in what manner the money is to be sent, that I may relieve these poor people as far as possible by my instructions.

Begging an early reply to this, I remain,  
Very respectfully,  
Your obt. servt.,

Major

Upon the complaint of Capt. E. J. Miller of the impress-  
ment of leather belonging to the Ordnance Department by your  
agent, which was recently referred to you, - the Quarter-master  
General has made the following endorsement - viz.

"Returned to Chief of Ordnance. Attention invited to within  
report. Millers holder of this leather did not set up any con-  
tract with Ord. Dept. & that impressing agent was otherwise  
ignorant of its existence. No claim of Capt. M. however is  
specified. Major Pastore has been directed to return leather  
suggested by this agent. He has been instructed also to apply  
to Capt. M. for information touching this contract with  
Pastore, in order he may see it is not abused for prope-  
ties of more leather than is due Ord. Dept."

You will

conform strictly to this decision of the Quarter-master  
General, - turn over the leather and apply to Capt.  
Miller for the express note, by which you will be again told.

Very Respectfully -

Wm. V. Feltner.

By order of the Hon

City of Richmond are required to  
be enrolled and do duty in an or-

SECOND REGIMENT, S. I. 1862

Dear General,

Augusta, Ga. February 10 1862

It will be seen in a very short time that the South Carolina RR. from Charleston to Charleston is a distance of 12 miles. It is necessary that the destruction is complete and if we further destruction of roads ensues this makes the supplying of the Army very difficult. The Government which was to be furnished from this part of the District was to be supplied. At present, as the troops are still out here as they arrive from the West, there is no trouble and much has been lost. A large portion of the troops in Columbia, so far as the Government is concerned, are in Columbia. (The Government is not in the best of arrangements, but after the supply in Columbia is exhausted, it would be necessary if South is to supply the Army would be to wagon over the gaps from Midway to Mayfield, then from Mayfield to Abbeville. And after that from Abbeville to Charleston a distance of 90 miles; and from Charleston to Columbia a distance of 101 miles. I don't think many articles which we supply the demand can be met if we have so much wagoning - but the main matter as Animals, Wagons, Ammunition and so on

of horses which can continue to supply all the  
can get the horses and then continue running  
them and it seemed to me for solution to the  
ing and when we - the way was distant  
the horses in the trap you will see of the horses  
occupy Columbia nearly the whole of summer season  
which is in the rear of the horses in a pretty extensive  
one off from the horses you will observe the  
the difficulty of getting supplies to it - like the  
trucks now arriving on ground of a summer month  
will collect everything the can at Columbia - and  
Checks and we have offered to move the down - and  
but the forwarding route of necessity to be seen  
I have little doubt the will have to be assisted  
This matter of forwarding our long trucks in state roads  
gives me much concern. The amount of supplies  
transported in the expenditure of stock and material  
evening, transportation and as it is becoming  
system we ought to understand it better. It is  
since we have a line of fifty miles of horses in  
the line from Savannah to Albany distance 80 miles  
and in taking steps to increase it to 100 horses - we  
has a train of 20 four wagons from Midway to May  
field, and propose to increase that to 120. distance

My dear Sir,

My Dear Sir,

In answer to your letter  
for disabled & wounded

Office Capt & M. Capt 50<sup>th</sup>  
Bristol Feb 15<sup>th</sup> 1863

Went put in answer to Maj. Gen.  
Cole & M. Capt of 50<sup>th</sup> Bn  
Portation.

From all I can learn I  
think the location selected  
by Capt Gibbon an admi-  
rable one. The rent of Prem-  
ises is nominal & cheap is  
cheaper than at any other  
point I have heard of & it is  
far removed from the in-  
roads of the Enemy. I am  
so fully convinced in Major's  
views about the office to  
be put in charge should the  
infirmary be established  
It should be not only an  
attention one but also situa-  
ed in the care of animals  
(over)

The duties of the position  
will be a heavy one, for this  
faithful discharge, require  
a most reliable officer.  
From what I hear of  
Maj Gibbon I am con-  
vinced that no one could  
be assigned to this duty who  
would so well fill the  
Post. I therefore most  
respectfully suggest that  
an out-cummary for accom-  
ing Public animals be  
established near Dublin  
Laurens Co. & that Maj  
G. be put in charge of  
it.

Yours faithfully

The enclosed letter from Major Davis Post 1<sup>st</sup> M at Greenville S.C. is statement of a question proposed to me some weeks since. And referred to May Secy. 2<sup>d</sup> M. for decision. May Secy. has not given instructions upon the point. And I now present it to you. As there must be a plain rule regulating such transactions. it is unnecessary for me to make any remarks.

The question of supplying the Army in S.C. with Corn from Ga is now turning on whether Rail Road Transportation can be supplied. I am unable to say what are the probabilities.

Recruiting officers and others engaged in arresting deserters and Conscripts are in the habit of applying at this post for horses to be used in this service. The animals do indeed suffer greatly, so that for one day's hard riding, it takes ten days to recruit.

I shall be pleased to have your instructions, as to whether there is any obligation upon me, to furnish them horses, and if none, how far it is proper to do so, considering the accommodation of, and economy for the Service.

I inspected the Transp. at Greenville yesterday. Maj. Davis has 4 horses, 8 mules and 5 Wagons, now in good order, this is about sufficient for the business of the Post.

Maj. Davis tells me he cannot buy horses at the prices he gave in February and I am satisfied they cannot be bought in this section for less than \$300. I have authorized him to buy. Even if he has to give \$300. unless he gets definite instructions from you. If there is a limit set at which horses are to be bought please advise me, and I will direct Maj. Davis to act accordingly - I am not certain how the late order from the Quartermaster General's Office regarding purchasing instructions will act in this case - but you urge the procuring of horses so strenuously that I determine to take the responsibility until I could hear from you.

Some of the horses sent out here to recruit I think

have the glanders. Capt Cole has signified them  
from the vet., but they ought to be shot  
about 30 are diseased in this way and I  
think the disease will spread. If the  
Animals I have asked for from Genl Beauregard  
Army are allowed, they will be all that  
can be travelled for two months to come  
and I am earnestly of opinion that these  
diseased horses should not be sent to the Army  
if it can be avoided until the glandered  
horses are culled out and time allowed to  
be proven that the remainder are not  
infected. Capt Cole is called upon to furnish  
wagons to haul corn to the Rail Road to be shipped  
to Virginia. He can use the recruited horses to  
good advantage at that business unless he is  
assured the danger of their communicating the  
disease is passed.

I go to Charleston tomorrow and will write  
you immediately I know how many horses  
can be had from the Army

I am preparing a preliminary  
in Laurens "to receive a large number of animals. As I  
presume you have a vast quantity disabled in Virginia &  
side who will come from Tenn. and I would suggest  
that now is a better time to start drives - if you wait  
until fall they will have to depend entirely upon corn &  
fodder in travelling while those starting now will find  
grass to keep them along. Besides as they must come in  
detachments if you have a great number you must commence  
early to get them well off by water - I shall be prepared  
to take 2000 head and if necessary can extend the railroad  
west to take 1000 more.

You will perceive by looking at the map of Va. that the Potomac  
R.R. crosses the Potomac River at Station No 14 - just 10 miles  
below this station on the river I have located the Agency  
The Potomac & Venetian are navigable 9 months in the year -  
from Macon around to No 14 Centre R.R. and the Potomac  
on these streams have still an abundance of forage & look  
up for want of transportation. There is a strait on the  
river called the "Potomac" but it was seized by the Union.

last year and while so used was disabled and has to this day in  
this condition owing to a disagreement between the owners and  
the Confederate Government as to where the expense and  
of the war has been made and the carrying supply of material  
cannot be had for the purpose of carrying supply of material  
along there at once but if the Government were to take  
it over and open up the line for the purpose of carrying supply of material  
large depot can be established at some of the points and the  
distribution of the material at some of the points and the  
the whole line of the material at some of the points and the  
we have now to get the material at some of the points and the

Your letter of 10<sup>th</sup> inst with encl.

Enclosed is returned.

I note your remarks about reporting to Major John. - Major John is required to get up supplies - and over to relieve from the duty he is attending to at Gen Johnston's Hd Qrs - You will assume those duties and report directly to Major Johnston City Inspector 1<sup>st</sup> District - at this place.

But Gen has been ordered to the rear of the Army to examine the supplies intended for the Army operating in N.C. - and is directed to assume an inspection afforded by you alone.

Alone are matters connected with the supply of horses and mules you will communicate with Major Gen A. Edmonstone at Greensboro N.C. and for the supplies with Major K. Johns.

I hope your inspecting office will get to the Army in a few days - much inconvenience has been felt for want of inspectors.

General.  
It is my disagreeable duty the Battalion  
of Cavalry, now in the Confederate service,  
which I command, should have appointed  
to it, a person to fill the office of Quartermaster  
and Commissary. If they have to propose for  
that position, the name of Mr William H  
Guthrie, of Savannah whom I deem to be  
entirely competent to discharge the duties  
of the above office. I am very respectfully

Yours truly

Charleston - Military Hall  
22<sup>d</sup> July 1863

St John Russell

Adj't Reg't Charleston Guard.

Lieutenant

In the matter of my communication in relation to Mr James S. Gibbs, and the reply of Brig. Gen. Jordan, Chief of the Staff, I have been prevented by a pressure of military duty and private business, from making an earlier response to the remarks of that officer.

In that communication I stated, in substance, that Mr Gibbs had been assigned and required to report at these Headquarters for duty. That he was discharged from it on a certificate from Gen. Jordan that Mr Gibbs was his Aid. That I denied that Mr Gibbs was Gen. Jordan's Aid, and that Gen. Jordan was entitled to him as his Aid or to have two Aids, inasmuch as Lt Keamy was his regular and only legal Aid.

I denied, also, that Mr Gibbs had been doing or made doing any duty in Gen. Jordan's Office, and implied that Mr Gibbs was in no way an official or employee of the Confederate Government, and not engaged in

on any military proper service. It was, also, implied that he was occupied in his own private affairs, and it was claimed that he should <sup>not</sup> be exempted from his country's service on any pretext, and that he should render it as other citizens and I were doing in this emergency.

Gen Jordan, as Chief of the Staff, endorses my communication a reply:

1. That I had made it under a misconception of facts. This I deny.
2. That "Mr James S. Gibbs was not discharged and exempted from military duty by the order announcing him as Volunteer Aid to the Chief of the Staff. That it was only an assignment or detail to a species of military duty of which these Head Quarters are the proper Judge as to the propriety."

I stated that no Volunteer Aid was an exempt. It was a certificate and not an order sent by Gen Jordan and brought by Mr Gibbs to these Head Quarters, and under which he was discharged from duty in the Charleston Guard.

That an order announcing Mr Gibbs as a Volunteer Aid been made and published by

Authority for the information of the Army and the country?

I herewith request a copy of the document furnished Mr Gibbs and sent ~~here~~ brought here.

What is that "species of military duty" to which <sup>he</sup> has been assigned, so that he is exempt from duty with the Charleston Guard or from the Confederate conscription?

3. That "Lt Cunningham appears to have been misinformed, also, inasmuch as Mr Gibbs has been in attendance ~~since the 16th inst.~~ on the Chief of the Staff daily since the 16th inst., and has assisted Gen Jordan to such an extent as was deemed necessary."

I deem it due to myself to say that I have no personal feeling or object to subvert. My purpose was, and is, to insist upon and secure the rendition of military service by Mr Gibbs, in common with his fellow citizens of Charleston, ~~South~~ and as an officer of the Charleston Guard it was my right and duty to call attention to his case.

But I repel the allegation of Gen Jordan that I was "misinformed" by his own endorsed statement. Mr Gibbs was only put on duty on the 16th inst., which was subsequent to his arrest by a detachment from the Regiment. This discharge from service with it, and to my communication that day, of all other from the record. Was the certificate given to him after his arrest?

Major

I have just called this evening to see Mr. Carothers, Superintendent of the Tex. Penit., confidently believing that I could get him to make up a lot of Back Saddles, by the Mexican Convicts, for you. But he tells me he is short of laborers, from the fact that many of the Convicts have served out their time & been discharged and none coming in to supply their places, now he has scarcely enough hands to carry on the Cotton Manufacturing, and that he is needing hands to make Bricks.

I told him - I hope you will not think me overly presumptuous in making a suggestion to you, knowing your acquaintance with the Major Genl. Commanding. Would it not be well, as a military necessity, to send up three free Negroes from your City, and put them to work, for the relief and comfort of our soldiers? This is the very earnest solicitation of the Superintendent of Penit., he says for each Negro furnished him, he will spare a Mexican to make Back Saddles. That he is employing three six (3 free & 3 Mex) Negroes and that he is employing three six (3 free & 3 Mex) Negroes and that he needs a good to him a while back, very profitably, and that he needs a good many more, just such hands as laborers.

It certainly is very unfortunate for our Country, at this particular crisis, that the Penit. should lack for laborers on which account several minor branches of Manufacturing, that would be a great accommodation to the community, have necessarily been abandoned.

I have the honor to be Sir,

Most Respectfully

Yours &c. C. H. Stewart

July 24, 1863. The Q.M. Gen. Addressed "Maj. W.E. Gibbs, Q.M., Columbus, Miss." & says:

"In reply to your telegraphic dispatch of 22d inst. you are informed that you were appointed Q.M. to the Brig. Comd. by col. R.G. Shaver, in the T.M. Dept., but there is nothing on the books of this office to show that you have been assigned to duty as Q.M. to the Brig. of Gen. Moore". (M-2000, A.G.O.)

Sept. 18, 1863. Gen. Moore says: "Maj W.E. Gibbs has been acting as Q.M. of this Brig."

There seems to be some mistake. He was recommended for the position of Q.M. of my Brig., but if there is no mistake as to the individual, he has been assigned to a Trans-Miss. Brig. I have no Brig. Q.M. regularly appointed. Maj Gibbs is still with me. (M-2001, A.G.O.)
